

**Amendments to the Claims:**

Please cancel claims 11-22.

**Listing of Claims:**

1. (Currently amended) A flaked feed for aquatic animals comprising uniformed flaked bodies of feed for said aquatic animals having a water content of from 1-30% and a variable thickness from 10-350  $\mu\text{m}$ .
2. (Previously presented) The flaked feed according to claim 1, wherein the feed contains individual flakes with a diameter of from 1 to 100 mm.
3. (Previously presented) The flaked feed according to claim 1, wherein the flakes contain temperature-sensitive substances.
4. (Previously presented) The flaked feed according to claim 3, wherein the temperature-sensitive substances are selected from odoriferous and flavoring materials, coloring materials, enzymes, promoters, probiotics, vitamins, color strengtheners, and mixtures thereof.
5. (Previously presented) The flaked feed according to claim 4, wherein the probiotics are living bacteria or yeasts.
6. (Previously presented) The flaked feed according to claim 4, wherein the promoters are growth promoters, fertility promoters, or mixtures thereof.
7. (Previously presented) The flaked feed according to claim 4, wherein the flavoring material is a sugar.

8. (Previously presented) The flaked feed according to claim 1, wherein the flakes have a round, oval, corrugated, heart-or fish-shaped form or some other uniform geometrical shape.

9. (Previously presented) A method of feeding aquatic animals comprising providing a flaked feed according to claim 1 in fresh or sea water.

10. (Previously presented) The method of claim 9, wherein the aquatic animals are fish, shrimps or invertebrates.

11-22. (Canceled).
